BancMate

India first windows based
Bilingual, Multilingual Banking Software

BancMate

India first windows based
Bilingual, Multilingual Banking Software

Our first offering to the world using the bi-lingual, multi-lingual software methodology is a retail branch banking application. It is the only application, which has been recommended by the technical committee of The Indian Banks' Association (IBA). **BancMate** uses natural behavior of WINDOWS and has been developed on POWER BUILDER using the CLIENT/SERVER technology and uses Open Data Base Compliance or ODBC technology. **BancMate** covers the entire gamut of operations undertaken at a branch and is PLATFORM and DATA BASE Independent.

Installed in 4000+ locations all over the country making it one of the most commonly used retail branch banking application in the Indian Banking Sector.

BancMate has the maximum installations in any :

- > Public Sector Bank - over 2400 branches of PNB
- > Regional Rural Banks - over 950 branches of PNB RRB's
- > State Co-operative Banks - over 150 branches of HPSCB
- > Private Sector Banks - over 150 branches of Bank of Rajasthan
